

## JERSEY CUSTOMIZATION SERVICES

If you have previously purchased or own a jersey that you would like to have professionally customized by IceJerseys.com, simply fill in the following form with the necessary billing and shipping information (one per jersey). The cost of customization is **\$54-\$99** per jersey plus shipping (depending on the jersey, see site for shipping fees). Certain hockey jerseys or jerseys from other sports may be priced differently, and this will be confirmed when we receive your order. An additional **\$10.00** service fee will be applied to jerseys not originally purchased from IceJerseys.com. If you have a relatively obscure jersey (use your judgement) please contact us beforehand to ensure that we have the ability to customize it.

### **Disclaimer:**

Although IceJerseys.com will take every precautionary measure to fully care for your jersey(s), we will not be held responsible for any jersey(s) that may become damaged during shipping and warehousing. We will also not be held responsible for damages incurred on jerseys that have collectible value due to player signatures etc.

### **Shipping Info:**

For those customers outside of Canada, please ship your jersey(s) to IceJerseys.com via your preferred *Postal Service only*.
